

MERIDIAN

HELICOPTERS

All encompassing

Meridian Helicopters LLC is a diversified, forward-thinking, “all encompassing” firm that specializes in aviation related business with an emphasis on brokering, leasing, pre-buy inspections and consulting for helicopters, domestic and international.

With 30 years of experience, Meridian Helicopters LLC focuses on elevated professionalism with an eye for improved business solutions.

STRATEGIC PARTNERSHIP

Teamed with Cadorath Aerospace, a world leader in repair, modification and overhaul of helicopter parts. This partnership allows Meridian Helicopters a more in-depth advantage of resources.

“I am sure your experience, integrity and customer focus will result in good results for you and for the customers you serve.”

John Murphey | Vice Chairman on the Board of Directors Texas Aviation, Integrated Flight Systems, Aero Design Retired Chairman and CEO Bell Helicopter-Textron

“I appreciated the way in which you would get fully involved in your work, and the enthusiasm with which you embraced the numerous challenges presented...”

Brian Nerney | Director of Ranger Rotacraft Group, Inc. CEO Bell Helicopter-Textron

“I would give Mike an unqualified recommendation as a trustworthy business partner with deep domain expertise in the aviation industry.”

Daniel S. Dross | Trinity Hunt Partners

Aircraft Sales & Brokerage

Our success is attributed from years of experience through relationships, direct marketing campaigns, internet marketing and networking.

Our dedication and Knowledge will alleviate your time and stress in selling your aircraft from start to close of escrow.

Aircraft Leasing

High-end VIP-style Bell 206L-3 or Utility helicopters available for lease. Leasing provides executives with the option to travel in style. Custom packages are available to suit your mission.

Pre-Buy Inspections

With so many unknowns into the history of an aircraft, we can assimilate and direct you in the right direction. With analytical and critical inspection criteria, we can examine aircraft and records to give you reasonable facts to make sound judgments for your organization.

Insurance & Financing

This is a necessity for most Helicopter Buyers. Let us direct you for Insurance and Financial requirements. We can guide and assist through our channels of expertise and give you your best possible choices. AVION Insurance is an aviation insurance specialty broker that has been exclusively placing and servicing aviation insurance risks for over 30 years. AVION has earned a superior reputation of negotiating optimal terms for their clients, strengthened by their strong relationships with every major underwriter in the industry.

Benefits to You

1

From start to closing, we handle it all.

2

Free fair market evaluation for aircraft.

3

Pre-purchase inspection if needed.

All encompassing
